Shark Bowl Returns

It was a Junior victory for the Shark Bowl today! This marks the 7th year of an MSMHS flag-football game. The difference in 2021 was the decision to make the game co-ed to be more inclusive of all students.

This is the 3rd year that the juniors have been able to claim victory over a senior class. With only 2 weeks to practice, it was a scramble to make plays and get organized. The juniors came out strong and took an early 8-0 lead scoring the first touch down and 2 point conversation. For the rest of the game they remained in the lead. The seniors shared the ball well and battled till the very end. Seniors had the ball with 3 minutes to play only trailing by 6 but could not score another touch-down. Juniors won with a final score of 26-20. Great game to all!!

Thanksgiving Food Drive

A huge thank you to everyone who was able to donate items to our annual Thanksgiving Food Drive. We had an amazing turn out this year and are always amazed with the show of support for our own community. We were able to put together some amazing food baskets and had items left over that were distributed to surrounding local food banks to help others in our larger community. Additionally, many of our students have been helping out at local food banks this time of year, boxing up food items that are given out to families in need for Thanksgiving. This past weekend 7 students were volunteering at the Pawcatuck Neighborhood Center.

Anti-Bullying Pledge

Earlier in the year the MSMHS Safe School Climate Committee met and created the idea for this year's anti-bullying pledge. The slogan, "We All Belong Here," goes hand in hand with our school focus this year on making every student feel welcome and a sense of belonging. Below the slogan are four puzzle pieces, also designed to support the idea of belonging. The puzzle pieces read "Inclusion, Diversity, Unity and Community." A member of each grade designed and painted a puzzle piece.
