MSMHS Coral Show

This weekend MSMHS was a vendor at the 15th annual Frag Farmers Market held at E.O. Smith High School in Storrs, CT. This event is the largest single day coral show in the country and hosts thousands of people from all across the region. Mr. Litvinoff and Mr. Guyot, along with a number of students and alumni, represented MSMHS and sold our coral in order to raise money for our aquaculture faculty. These funds will be used for student scholarships, to improve the system in our lab,

and to increase the diversity of organisms we have at MSMHS. The show was a huge success and we received great feedback from hobbyists and vendors. Students in our aquaculture elective courses have been helping to prepare for the show and we are so proud of all the hard work that went into making this show a success. If you would like to follow along with the aquaculture lab on social media they can be found on both Facebook and Instagram [@msmhsaquaculture](https://www.instagram.com/msmhsaquaculture).

School Based Health Center

MSMHS is excited to welcome Terri Boothby as our new nurse practitioner for the School Based Health Center (SBHC), located in the Nurse's Office. As a reminder, it is free to sign up for the SBHC and forms are available at the main office and at www.SBHC1.com. The SBHC can take appointments for physicals, give strep tests, and do most of what your regular doctor can do. Ms. Boothby has been a nurse for the past 28 years and is excited to join our school!

School Based Health Center is open at MSMHS
Thursdays and Fridays during school hours

SAT Goes Digital

SAT School Day is just around the corner on Wednesday, March 30th. On this day, all Juniors will take the SAT at MSMHS for free as the CT state standardized test. This spring, all CT schools are piloting the digital SAT, which will run similar to the NGSS test. Starting in 2024 the SAT will be 100% digital! Juniors will have Advisory time to register for the SAT and to learn more about the digital platform. Juniors should be logging in to Khan Academy to practice SAT style questions.

After School SAT Prep Sessions

Math—Tuesdays & Thursdays 2-3pm

English—Mondays 2-3pm

**SAT[®]
School
Day**

CollegeBoard
