LEARN Teacher of the Year

Last Spring Ms. Forshaw was named MSMHS Teacher of the Year and this Fall she was named LEARN Teacher of the Year! Ms. Forshaw has been teaching at MSMHS for 5 years and is known around the school as one of the most hard working and dedicated teachers. Ms. Forshaw has advocated for more science electives and has developed a Forensics and Anatomy & Physiology course here at MSMHS. She has also taken on the challenge of teaching AP Biology this year. Ms. Forshaw is a founding member of MSMHS's Racial Equity Team and goes above and beyond to make sure that everyone around her feels welcomed. She is a natural leader among the staff and is always looking to help out wherever needed. Congratulations Ms. Forshaw, we are so grateful to have you at MSMHS!!!

When asked about receiving this honor, Ms. Forshaw said, *"I am truly grateful to be recognized for this award especially after the past unpredictable school year. I feel I would not have been chosen for this honor or be where I am as an educator if it were not for the entire MSMHS community."*

Welcome Mr. Kuczenski and Mr. Jones

MSMHS would like to welcome our two new humanities teachers this year. Mr. Kuczenski comes to us from ISAAC school and is new to our Social Studies department. He is teaching U.S. History, AP Psychology, and Intro to Psychology & Sociology. Mr. Jones is teaching sections of English to our 9th, 10th and 11th graders. Both of these educators bring energy and creativity to their classes and we are so excited to have them join the MSMHS Family!

MSMHS Clubs

We are so excited to have everyone back in person and to get our clubs up and running!

Clubs that we are looking to offer this year include:

Yearbook, Basketball, Interact, Frisbee and outdoor games, Video Games, Book/Discussion, Debate, Art, Unity, Creative Writing, Photography, Journalism, RMMS Mentoring/Tutoring, Creative Writing, Racial Equity Action League (REAL).

Next week look for advertisements of these clubs and a schedule of when they will be meeting. Clubs are a great way to meet new people and get involved in the school community.

Clubs will start Monday, September 20th.
