## SENIORS Win Shark Bowl and Shark Week

This year's senior class becomes the 3rd in school history to win the Shark Bowl as juniors and seniors! On Friday, November 18th, MSMHS held a pep rally to introduce the players and coaches before the entire school went up the hill to watch the 8th running of the MSMHS flag-football game. The seniors took an early lead and never let go. Grace Jenkins, Groton, CT, was unstoppable as a running back for the seniors and was named the game's MVP.

Grace Moriarty and Sierra Lund came up big for the juniors but were not a match for the dominating seniors. The seniors finished the week with not only a flag-football win, but also the victors of Shark Week! They displayed the most spirit during dress up days and color wars. Their prize will be coming soon!!

A special thank you also goes out to the MSMHS PTO for sponsoring a hot chocolate bar during the game as a warm treat to all students and staff.

**THANK YOU!!!**

### October Student of the Month

Leynece Coons, New London, CT, was voted by the MSMHS teachers as the October Student of the Month. Leynece was nominated for our school's core value of Growth. This year Leynece has demonstrated grit and perseverance during every challenge she has faced. She has been dedicated more than ever to doing well in all of her classes

and advocates for herself when she needs something. Leynece is kind to those around her and is always polite and respectful. She sees everything as a learning opportunity and always tries her best. Outside of school she loves to draw and spend time with her sisters. Congratulations Leynece, keep up the great work!!
